

Dear Sir / Madam

One of your volunteers would like to alert you to a free opportunity for you to **ADVERTISE FOR VOLUNTEERS**.

MEDSCHOOLS ONLINE is a new website set up by medical students to provide information for prospective medical students.

Many of them are **LOOKING FOR VOLUNTARY WORK IN HEALTH & SOCIAL CARE**.

We are therefore keen for organisations offering voluntary work that is suitable for prospective medical students to advertise on our website.

If you would like to **ADVERTISE FOR FREE** with us, go to
www.medschoolsonline.co.uk/index.php?pageid=10

It is very easy to set up and only takes about 10 minutes.

If you have any questions, please don't hesitate to contact us at:
